Note: Photomicrographs, if present, are for illustrative purposes only and are not intended to replace or supersede the written Final Diagnosis. One or more analyte specific reagents may have been used to evaluate this case. The test performance characteristics of the analyte specific reagent(s) used as part of this evaluation were determined by Miraca Life Sciences, Inc. and have not been cleared or approved by the U.S. Food and Drug Administration; however, the FDA has determined that such clearance or approval is not necessary. This test is used for clinical purposes and should not be regarded as investigational or for research. CPT Code(s) listed on this report may change after billing audit. This laboratory is certified under the Clinical Laboratory Improvement Amendments of 1988 (CLIA-88) as qualified to perform high complexity clinical laboratory testing.
